

Sound Insulation Update

The RSI Program is currently moving forward with construction for Group EFHIJ, completing work on 148 of 196 homes, construction on this group will continue through June, 2017. Construction also continues on Group K, completing work on 57 of 155 homes and will continue through October, 2017.

Group L (159 Homes) is currently under review by the Federal Aviation

Administration (FAA). Based on this review and response, Group M (156 Homes) will be prepared for public solicitation and bid approximately 4-6 weeks after the Group L Bid/Solicitation takes place. Group N (179 Homes) is currently under design with an estimated completion time in June/July 2017. Upon receipt of the Design/Bid document then this group will be transmitted to the FAA for review and approval. The public solicitation and

bid of Group N will take place approximately 4-6 weeks after the receipt of FAA approval. All homes located within the project boundaries have been invited to participate in the Sound Insulation Program.

Sales Assistance / Conveyance & Release Program (SA/CAR) Update

The Voluntary Sales Assistance Program (VSAP) sponsored by Broward County is underway and proceeding into Phase 15 this month. The Team at the BCAD Outreach Center is contacting owners by mail to inform them of the program. We have just sent out the Phase 16 mailing to invite those homeowners in to participate and homeowner meetings for Phase 14 homeowners began March 6, 2017.

The VSAP is available to eligible homeowners of the City of Dania Beach who own property located in the 65+ DNL noise contour for the new south runway. The VSAP comprises of two options: (1) the Conveyance and Release Program (CAR) and (2) the Standard Sales Assistance Program (SSA). To participate in either program the property must have been purchased before
